

# ISLINGTON NORTH DRAMATIC ARTS GROUP

We are starting a dramatic arts group based in North Islington. This is for people who want to create, perform and produce live drama. Participation is not restricted to people who live locally.

This is a community-based initiative and is aimed at providing an expression of local talent for people of all ages\* and backgrounds.

We aim to develop the following abilities: acting, dancing, singing, design, stage management, writing, directing, producing and marketing.

We aim to produce sharp, stylish, relevant, entertaining drama performances for local and wider audiences.

The group will operate on a voluntary basis and will be financially self-sustaining and independent.

The initiative comes from Az Theatre.

[www.aztheatre.org.uk](http://www.aztheatre.org.uk). Az is based in Holloway and mainly undertakes international projects but the company has wide and deep experience of working with people locally.

The first meeting will be 7pm on Tuesday 21<sup>st</sup> February at Whittington Park Community Centre.
